Punch cards are redeemable for tickets through the box office. You can use all of the punches for yourself or if several people are going to the same show, you can share the card. For one price, you can legally see as many shows as you'd like or one show many times. Its easy! Get the 10-punch Punch Card and you get passage into Pangea shows with diplomatic immunity! The holder of the Green Card which is a 5-punch Punch Card still gets a great deal on tickets.

But no matter what you use to enter, members receive special 10% discounts to three of our favorite restaurants – La Bodega, Bombay Bistro and Saffron!
